HEALTH AND SAFETY POLICY

The Hawera BMX Club, will comply with the requirements of the Health and Safety in Employment Act 2016 and is also committed to providing and maintaining a safe and healthy environment for all riders, families and visitors to the BMX track and its facilities.

It is our policy to make every practical and reasonable effort to protect everybody, to prevent accidents or serious harm injuries and promote the health, safety and welfare of all persons while on these premises.

All steps will be taken by the Hawera BMX Club to list and prioritise hazards and to determine ways of eliminating, isolating or minimising those hazards.

The Hawera BMX Club will encourage safe work methods with all machinery and equipment at all times when these are in use.

The Hawera BMX Club have an emergency evacuation point – High Road Car park, opposite the Hawera BMX track main gate entrance - and will ensure people are not exposed to hazards.

Hawera BMX Club expects anyone using this facility to observe and practice safe methods to ensure a safe and healthy facility, as well as ensuring that no action or inaction on their part causes harm to any other person.

Safety and safe practices with Hawera BMX Club is not negotiable and failure by anyone to not abide by any agreed rule will result in the removal of such person from these premises.
